**Finished quilt measurements : 55 1/2" x 63 1/2" (141 x 161 cm)**

## You will need :

42x Jelly roll strips - 2 1/2" x 44" (6.4 x 111 cm) strips

1x full bundle of jelly roll strips should suffice for this project, however each manufacturer may vary in the amount of strips given in a package, (somewhere between 38-45 strips).  
If yours is less than 42 pcs, cut few extra strips in neutral colors to get the required amount.
