Directions

Seam allowances are 3/8" (1cm) unless otherwise stated.

Please watch the [Full Video Tutorial](#) for thorough demonstration.

1. Mark/snip the center point on both side edges of the main panel.
2. Attach the swivel hook tab on the right side of one side edge (on the center point mark) of the main/exterior panel.
3. Install the zipper, making sure that the start of the zipper is installed on the same side as the swivel hook.
use 1/4" (6mm) seam allowance when sewing the zipper.
4. With the main panel facing wrong side out, match the side edges of the zipper to the center point mark of the main panel (right sides together), pin.
At this point make sure to unzip the zipper at least half way.
5. Sew the side edges. If working on the lined version, finish the raw edges.
6. Box the corners.
7. Turn the pouch right side out, and congratulations your lipstick pouch is done.
