## Instructions (Brief Overview)

Please watch the [Full Video Tutorial](#) for a thorough demonstration.

1. Using the quilt-as-you-go method, piece the fabric strips directly onto the batting until the batting is completely covered.
2. Trim off any excess fabric, then square up the batting to measure 10 1/2" x 17" (28 x 43 cm).
3. Attach the zipper.
4. Assemble the pouch, binding the side edges as you go.
5. Box the corners of the pouch, binding the corners as you go.
6. Turn the pouch right side out. Your boxy pouch is finished.

### NOTES

1. When stitching bulky layer, switch your needle to a larger one (e.g. microtex 90/14 or denim 100/16 and increase the stitch length).
2. Always **backstitch** in the beginning and towards the end of your sewing to secure the seams.
3. Always use disappearing fabric marker when marking on the fabric.
